# About us

*The more we give we get, We the Chandrans Yuva foundation have been working on serving humanity for the past years. The Specialization area of creating employment opportunities for the physically challenged thus creating an income source for several underprivileged families.*

WE THE  
CHANDRANS  
YUVA  
FOUNDATION  
HAVE BEEN  
WORKING ON  
SERVING FOR  
HUMANITY

## CHANDRANS YUVA FOUNDATION

*The network created by the organization has been associated with several schools, colleges and welfare institutions. The Organization is continuously motivated to impart Individual Social responsibility among people. This is created through various events and programs which engage students, working professionals, business people's active contribution.*

# Invisible Kaleidoscope

*Being on a motive to teach for survival, we have our invisible kaleidoscope. We are proud to say that globally we are the first to train 100% visually challenged people on a motor-operated machine. Without the help of others, our team can produce products starting the very first thing to the ultimate finished goods. With the power to revoke anything they had been the women wear, you name it!*

# Disgenderable

Physically abled and  
Transgenders

Beauty parlors,  
Stitching, baking and  
cooking

*We have created a Disgenderable booth for baking practices with the help of physically abled and transgenders. we are on a move to produce our baking products like cakes and other dairy products.*

*Speaking of the transgenders, we have been thundrously supporting them on all the occasions to uplift their well-being, we are giving coaching classes on beautician courses, stitching courses, baking courses, and even cooking courses, we have also assisted them in keeping food stalls. We have worn the honor of creating the first transgenders R J on our platform.*

# Tree plantation for ozone day

*On September 16, 2021, Ozone day our Chandrans Yuva Foundation team had planted saplings in Chettipalayam village to regenerate our environment. Also our volunteers in Karpagam university joined us in tree plantation and the saplings were maintained regularly by our foundation.*

*Save Trees Save Lives*

# Clothes and bedsheet donation

*Bedsheets, bedspreads and pillow covers distributed to old age homes, mentally and physically challenged people by Chandrans Yuva Foundation. Season is changing and your clothes from last year may not fit. If you notice clothes piling up in your family's closets - and you're looking for a way to help the less fortunate - donating clothes could be a super-easy start. We from Chandrans Yuva Foundation collect all kinds of summer and winter clothes for children and adults, all the clothes were cleaned, ironed and neatly packed to distribute. A small gesture of yours will be a boon for poverty stricken, deprived people to stay happy during the cruel summer / winter season. So, show your generosity, and help us to collect as many as clothes to keep the deprived ones comfortable in harsh summers and winter seasons.*

# Anaikatti visit

*Our Chairperson Mrs. Shasikala had visited the Anaikatti tribal women to provide stitching training for them to create their own financial freedom. Along with Ficci flo Coimbatore, Chandrans Yuva Foundation provides training classes regularly and also free tailoring kit were provided to all women.*

# Clothes distributed to Cancer and heart patients
