

DIWALI CLOTH DISTRIBUTION @TIRUPUR & AANAIKATTI

Clothing is the basic need of common people. Many among India's poor and underprivileged lack adequate clothing. Chandran yuva foundation takes a step to provide clothes to the children in Universal peace foundation which is located in Tirupur. Mainly clothes are sorted out according to size, gender and type. Getting the clothes, the children got so happy and we can see that happiness in their eyes also. They changed clothes to new ones and shouted to one other with full of happiness that "I got a new dress". The Team Yuva foundation also got happy to see the big smile on the faces of the children.

Among the major contributory variables for spread of occasional and vector-borne illnesses in the zone of Anaikatti particularly the youngsters, to mosquito chomp as their bodies are not covered appropriately with garments. Chandran yuva Foundation distributed the total new garments to more than 200 living families in Anaikatti ancestral and rustic regions.

Chandran yuva foundation visited the neighborhood low level sanitary laborers and underprivileged workers in trash yard which is situated in vellalore and distributed the lunch to them under the correct social distance.

FOOD DISTRIBUTION

Chandran yuva foundation establishment directed a workshop for outwardly tested individuals on the preparation of sewing the edges and logos close by towel and shower towel by utilizing the force administrator and sewing machines.

Chandran yuva Foundation associated alongside with Ms.Preethiga balaji, the chairperson of FICCI Flo, Coimbatore. Directed baking training course for 30 rural region women which is held at Chandran Yuva baking skill development unit. Through this training it encourages the women to begin a home made cooking business like homemade cakes and biscuits which assists with running their livelihood.

BAKING TRAINING FOR RURALWOMAN

A candles and lights loses nothing by lighting another candle. Diwali, Karthigai Deepam and Christmas is the ideal time for it. We anticipate raising more for this reason. Chandran yuva foundation led a training program for blindly challenged people to make lights and candle. Through this program it urges them to begin a little candle variety of things to push along their live hood. Their world is dim however they strives to illuminate our reality.

DIWALI LAMPS MAKING

By our Visually
challenged people

Visually challenged people's are a superhumans, they have done impossible things which a perfect Humans can't do. How visually challenged people doing this? by only through practice. Chandran Yuva foundation associated alongside with Ms.Preethiga balaji, the chairperson FICCI Flo, coimbatore. conducted a training program about the basket weaving for the visually challenged person. Through this training program it encourages the people to start their weaving business and manage their livelihood.

Basket Making Workshop

Chandrans Yuva Foundation associated with Girlup foundation coordinated a missions about Mensural Awareness for women in rural and village areas of Anaikatti. This awareness program helps the women of provincial towns to consider how their prosperity and neatness which is get affected when they use old garments of clothing as a napkin. Foundation also conveyed 5 pieces of reusable pure cotton sanitary Napkins for the women in Anaikatti. The sterile Napkins are made with coconut fibers and it will long continue going for 18 - 20months. This Incredible napkins are made by rustic women's.

Driving the wings of future

Driving the wings of future: Chandrans Yuva Foundation helping many young children to educate through Mind gear initiative. Ms.Nandhini, she is from Coimbatore she has completed her Matriculation studies in G Ramasamy Matriculation Higher secondary school. She is promising young energetic athlete who won many medals among State level competition. Due to her family condition she can't able to continue her higher studies Our Chandrans Yuva Foundation has came forward to take care of her higher education. The values of the education. Furthermore implementing effective education resources for the underprivileged people will either bring immediate changes in their state of living or improve their future living conditions, Education is the only primary agent which can help individuals overcome income barriers, and expand the horizon of the community when it comes to making career choices, personal growth, build confidence, and a sustained development in well-being. It is the most supreme and vital parameter for a better tomorrow of the Nation. As a result, many professors and educationists lay prime emphasis on promoting education for all. Eventhe government has adopted various measures to conduct this practice, thereby adding to the development of the country.

INDIVIDUAL SOCIAL RESPONSIBILITY

Every Tree is completed only with the number of individual leaves it has sprouted no matter how much it has been rooted to the ground. Every page of this book, every word in every page would have not been possible without the individual contribution towards the same cause.

The Core idea of a change will be starting from every individual. Every individual putting a foot forward, will make an entire society/country to move forward. The confidence and the motivation instilled in the hearts of the people by the individuals will make the lives

*Support us. Join us.
Let's Grow the Tree of Life Together.
Stay Healthy, Save a Life*

The Individual Social Responsibility wing in Chandrans Yuva Foundation is the Core, from where the people are getting a life cycle change through the support and the efforts put forward by them to make the lives of people better.
